ASSISTED LIVING

We are the dependable caregivers you've been searching for, dedicated to meeting your or your loved ones' daily needs. Our mission is to ensure that during this chapter of life, quality of care and comfort are always upheld.

Our visiting physician takes a meticulous approach to residents' health, while our owners prioritize resident satisfaction and happiness. Our experienced and compassionate staff provide personalized care, building genuine connections with each resident.

At New Era, safety and security are top priorities. All entrances and exits are protected by passcode access, fire drills are conducted regularly, and security cameras are actively monitored to ensure a secure environment.

Activities

There's always something fun to do and plenty of spaces to enjoy. We kick off the day with gentle, non-impact exercises. Visiting musicians fill our days with laughter and unforgettable moments, while our karaoke parties uncover hidden talents! The gazebo offers a peaceful retreat, ideal for barbecues and relaxation. We also host Bible studies, Gospel sing-alongs, and exciting outings to malls, libraries, thrift stores, and restaurants—creating memories to cherish.

Mealtime is a joyful and lively experience. We accommodate special diets, and our cook welcomes suggestions—your recipe might inspire the next meal! Seasonal fruits add a fresh touch and are always a crowd-pleaser.

New Era

We are a Medicaid Waiver Provider
Which offer additional financial
assistance to those who qualify.

We are secured home where our
60 residents become like a family.
Their needs are met by caring staff
that are familiar with their likes
and dislikes. These personal
touches makes *New Era* a warm
alternatice to large nursing homes.

Please feel free to visit our humble
home or call for more information.
